Broker-Package Intake Checklist

For RV park and manufactured-housing community acquisitions. Use this when a broker package lands: log what arrived, tag every material fact with its evidence status, and surface the open questions before anyone opens a spreadsheet. The goal is not analysis. It is knowing what you actually have. Write the status letter in the right-hand column of each line.

Property:	Market / State:	Broker / Source:	Date received:

Evidence status key: tag every material item: **V** Verified (source document in hand) | **B** Broker-reported (claimed, not documented) | **M** Missing (requested or not yet provided) | **A** Assumed (our assumption, unconfirmed) | **C** Calculated (derived by us from source data) | **U** Unresolved (conflicting or unclear)

1. Package basics

- ☐ Offering memorandum / package received and dated
- ☐ Asking price and stated cap rate recorded
- ☐ Property address, parcel IDs, and legal description
- ☐ Site count, acreage, and expansion potential stated
- ☐ Ownership entity and years held identified
- ☐ Reason for selling noted (broker narrative flagged as B)

2. Financials

- ☐ Trailing 12-month P&L (and 2-3 prior years if available)
- ☐ Year-to-date P&L with month-by-month detail
- ☐ Bank statements or deposit records to support revenue
- ☐ Tax returns or Schedule E for the property
- ☐ Expense detail: repairs, management, insurance, taxes, utilities, marketing
- ☐ Pro forma flagged separately from actuals (never mixed)
- ☐ Real estate tax amount and most recent assessment

3. Rent roll & occupancy

- ☐ Current rent roll with site-by-site rents and status
- ☐ Physical vs. economic occupancy distinguished
- ☐ Seasonal vs. annual vs. transient mix (RV) or tenant-owned vs. park-owned homes (MHC)
- ☐ Delinquency and collections history
- ☐ Rate history: last increase, amount, tenant reaction
- ☐ Waitlist or demand indicators, if claimed

4. Utilities & infrastructure

- ☐ Water source: public, well, or other, plus provider and capacity
- ☐ Wastewater: public sewer, septic, lagoon, or package plant, plus permits
- ☐ 12 months of utility bills (water, sewer, electric, gas, trash)
- ☐ Master-metered vs. individually metered; who pays what
- ☐ Known infrastructure issues: lines, lift stations, roads, electrical pedestals
- ☐ Utility compliance history or violations, if any
