The Lot-by-Lot Walkthrough

Property: _____ **Date:** _____

Walk every lot. Mark each one. Photograph everything. About 30 seconds per lot. Print multiple copies for parks over 12 lots.

1. Per-lot grid

Lot #	Home (POH/TOH/vacant/aband.)	Skirt Y/N	Pad 1-3	Meter type	Visible issues	Photo #

2. Park-level items

- [ ] Roads: potholes, washouts, gravel condition, drainage along edges.
- [ ] Standing water or soft ground anywhere, especially near septic fields.
- [ ] Entrance signage and curb appeal from the road.
- [ ] Office condition, mail area, common buildings.
- [ ] Dumpster area: overflow, illegal dumping, smell.
- [ ] Lighting at night if you can return after dark.
- [ ] Perimeter fencing and gates: intact, locked, or missing.

3. Photo log

Photo #	Lot or area	What it shows

4. After the walk

- [ ] Count occupied pads, vacant pads, and abandoned/derelict units SEPARATELY.
- [ ] Write down every "I will fix it later" the seller said. Price them all or walk.
